### **Russ Rogers Receives 2003 Colorado Businessman of the Year Award**

**Colorado Springs, CO – February 20, 2004** – Security Horizon, Inc. is proud to announce Mr. Russ Rogers has been awarded the National Republican Congressional Committee's (NRCC) Business Advisory Council (BAC) Colorado Businessman of the Year Award for 2003. The BAC is a small, prestigious group of business leaders who have joined with the NRCC to advocate a progressive, conservative, pro-business agenda. Mr. Rogers also received the NRCC's National Leadership Award, announced in a Security Horizon press release dated September 3, 2003.

Mr. Rogers will be presented with his award at a special ceremony in Washington D.C. during the 2004 Congressional Tax Summit. The ceremony will be attended by President George W. Bush, Members of Congress and other notable guests.

Mr. Rogers is the CEO and CTO of Security Horizon, a Colorado Springs-based information security professional services firm. He is a technology veteran with over 12 years of technology and information security experience. He has served in multiple technical and management information security positions and is a United States Air Force veteran.

**About Security Horizon, Inc.** – Security Horizon, a veteran-owned small business, was founded in 2000 by information security professionals with extensive backgrounds in commercial, United States Government, and Department of Defense (DoD) environments. Security Horizon offerings include security assessments and network vulnerability evaluations, penetration testing, security policy development, and National Security Agency (NSA) INFOSEC training courses and appraisals. Many of our consultants hold high-level security clearances and our experience includes work with the NSA, Defense Information Systems Agency (DISA), United States Navy (USN), and the United States Air Force (USAF). Security Horizon is headquartered in Colorado Springs, Colorado.
