Security Horizon Recognized as a Sponsor for Newspapers in Education

Colorado Springs, CO – April 26, 2007 – Security Horizon, Inc. was recognized by The Gazette Telegraph as a local sponsor for the Newspapers in Education (NIE) program. The NIE program is a cooperative effort between local schools, businesses, community members and The Gazette to promote literacy and education by using the newspaper as an instructional tool in the classroom. The Gazette's NIE program, Gazette Classroom Connection, provides newspapers at no cost to schools throughout El Paso, Teller, and parts of Lincoln and Fremont counties. More than 900 teachers throughout the Pikes Peak region use The Gazette in their classroom and over 1.6 million Gazette newspapers reached local students in 2005.

“This is the community that we live, work and play in. We are proud to be able to support our local community.” stated Greg Miles, President of Security Horizon. Security Horizon makes an annual monetary donation to this program.

About Security Horizon, Inc. – Security Horizon, a veteran-owned small business, was founded in 2000 by information security professionals with extensive backgrounds in commercial, United States Government, and Department of Defense (DoD) environments. Security Horizon offerings include security assessments and network vulnerability evaluations, penetration testing, security policy development, and National Security Agency (NSA) INFOSEC training courses and appraisals. Many of our consultants hold high-level security clearances and our experience includes work with the NSA, Defense Information Systems Agency (DISA), United States Navy (USN), and the United States Air Force (USAF). Security Horizon is headquartered in Colorado Springs, Colorado.
