Ms. Stone,

The Information Assurance Courseware Evaluation (IACE) Program has evaluated your certification application and validated that Security Horizon, Inc. courseware meets all of the elements of the Committee on National Security Systems (CNSS) National Training Standard for:

*Senior Systems Managers, CNSSI No. 4012*

You will receive recognition and an official certificate during the June 2011 CNSS Ceremony, which will be held at the 15<sup>th</sup> Colloquium for Information Systems Security Education (CISSE). This certificate, signed by the CNSS Chair, will be valid through June 2016.

The IACE Program provides consistency in training and education for the information assurance skills that are critical to our nation. We appreciate your participation in this program, and look forward to seeing you in June.
